The Spirit Of The Columbia River

“THE WATER YOU TOUCH IN A RIVER IS THE LAST OF
THAT WHICH HAS PASSED, AND THE FIRST OF THAT
WHICH IS COMING. THUS IT IS WITH TIME PRESENT.
LIFE, IF WELL SPENT, IS LONG.”

LEONARDO DA VINCI

A Royal Purpose...

CLUB PHILOSOPHY

This cocktail club was founded on the belief that sharing a drink is a fundamental human experience and instrumental to the wellbeing of a community. With that conviction in mind, we have created this cocktail list in the spirit of community and collaboration.

Our inspiration for these cocktails is drawn from the mighty Columbia River. Our favorite days and nights spent on and along the river have inspired a homage to the feelings imparted. We desire to capture and share, through our craft, the way which the times spent with the river have affected our lives. We have borrowed from classic club recipes from the past and included our interpretation to create an original piece, through the art of the cocktail.

We are pleased that you have chosen to join us when there are so many incredible options in our greater community to choose from. We are truly grateful, and we are humbly at your service.

WELCOME TO THE CROWN CLUB.
